A Cause For Paws – Suzie Leist

- Nonprofit organization to help the lost and abandoned pets in Kewaunee County
- No Humane Society in County
- Volunteer will pick up the domestic animal from said location and bring them to the Bay Area Humane Society at no cost to the community
- The Cause for Paws does fundraisers to pay for the contracts that the community pays the Humane Society (no cost to the community other than housing the pets until a volunteer can pick up)
- The group will help get an area prepared to house the pets until the volunteer arrives
- 1 year contract to be auto renewed if the need is justified. 6:37 pm

LC School District – JoEllen Fairbanks and Board

- They wanted clarification on the 15 acres they want to farm. The property is Zoned Residential, and the Board said they didn't want crops such as corn planted;
- JoEllen was concerned that not putting crops would take away scholarships from students
 - The Alumni FFA takes care of the land and pays for the scholarships, not the school
 - V Board told the school they could plant soybeans or alfalfa but don't want fertilizer or nitrogen put on the property; this doesn't pertain to the football field
 - V Board wants to protect residents and wants an agreement that no nitrogen will be put on the land and the Alumni FFA will take care of the property without big equipment and the Village lots until they are developed. 6:52 pm
- There is talk that the County Board may not record any County meetings; this will be discussed at future meetings. 6:57 pm

Rob

- CMAR report is in, the Village scored A in all categories except "operator certification" we received a C since Rob isn't certified yet.

- Jesse from County Highway Dept. gave a quote for crack filling the parking lot at Village Hall, basketball court and park (Village Board said to fix all)
- The Women's bathroom door at the park needs to be fixed/replaced. The wind catches it and it needs some sort of brace to stop it. Troy will check it, and Dan L. will check at getting a brace.
- Some residents' lawns are getting pretty long, they need to be maintained, or the Village will have someone cut them and charge a minimum of \$180/hour

Bruce
